## About the Rankings

These are generic, PPR-leaning positional rankings for keeper/dynasty leagues. Because we are looking at the next 2-3 years, many older players will rank considerably lower than their 2021 ranking, and some younger players will rank higher.

## Glossary

### RK

Player's Rank

### POSITION/PLAYER NAME

Player's name for given position

### AGE

Player's current age

### EXP

Player's years of experience

Rookies are represented as **R** and highlighted

### TEAM

Player's current team

### UP

✔ Player has legitimate potential to out-produce the ranking

### DN

✘ Player has legitimate potential to finish considerably lower than the ranking

### MOVE

⬆ Player has moved up from our last update

⬇ Player has moved down from our last update
